Which is why it's probably not gonna have a big show in DC. Red state conservatives are often comfortable and lazy, which is also what makes them susceptible to being conned by Democrats who sneak stuff in under the radar.

Join a caravan then, there will be open seats for folks not wanting to drive themselves

▼ Yeah I've been trying to organize with a few people. Talks about chipping in for a rental van and going. I love driving so I'm ok with that.
